VERMONT IN SENATE. (From the Washington Post.)

In December, 1851 upon the assembling of the Thirty-second Congress, Solomon that service until his death, afteen years later, when he was succeeded by George F. Edmunds, who was senator from one line with a total service of fifty seven years, or all average of ninetect

The other line discovers something became senator from Vermont in 1855 and served until his death, a period of ten years, when he was succeeded by Luke P. Poland, who served two years Justin S. Morrill succorded him and con tinued in the Senate until his death. De cember 28, 1898; when William P. Dillingham succeeded to the place, which he still holds. Thus, in the other line Vermont has had four senators in 6thy three years, an average of more than

Here we have a tolat service in the Senate of 116 years by seven senators an average of above fifteen years, Ken tucky came into the Union with Vermont, or a little later, in 1792, and it is probably true that Kentucky has been represented in the Senate by twice as many individuals as Vermont, it is also safe to say that relatively the tenure of Vermont senators has been longer than senators from any other State have enjoyed.

Of all the senators from Vermont or New England, Justin S. Morrill served longest-thirty-one years and upward. only surpassing him in length of activice; but when we compare legislative ervice in our country and in England tenure in America is comparatively hort. Gladstone was in the House of Commons more than sixty years Charles James Fox was in the Common from the age of twenty till his death fifty-seven. Pitt's service was nearly long. Perhaps there are half a doze men in the House of Commons to-day who have served in that body contin nonsly for lifts Years or more

With us the legislator in either house of Congress is subject to the public whim, Had Burke been an American after the formation of our government, than the English ships. His observations his service in Congress, if he had diswould have been short compared with and should be her fighting draft, no the length of time he was in the Comnone, But the distinguished English board." tatesman, of the caliber of Conkling of Thurman or Carlisle, when rejected by one constituency, can find a dozen others Frank anxious to have him for representative. And in that respect—the fact that England can at all times have the ser- the guns. ices of her ablest men of both parties

CHOICE OF THIS

HIS DEATH WAS NATURAL.

Brockville, Out., March H-The inque

(From the Braitleboro Reformer.) Windham county passed creditably its annual test on the license question. As | Hackensack, N. J., March IL-At the reresult of Tuesday's vote there is only comption to-day of the inquest into the ne town in the county where figuor will death of Walter F. Baker, who shed at he sold legally drains the coming year. Bogon last natures, Dr. William P. 100 rence and Joseph Landon of Williston, little trouble in making that method that in his opinion death was due to are attitude of more than 7.00, heat work satisfactorily, voted yes again by sens poisoning. Dr. Boos is connected. The Rullan car Paxion, Neb. this a slightly increased majority. Somerset with the Mussachusetts General hospital evening, buying been thoroughly repaired, ayone applying for a license in that | Dr. Charles in Underhill of Boston tosthe freeze question in this county this September 2 last. At that time he conyear was 2,03 as against 2,842 last year, sidered Baker in practically perfect phygain of st. The gain in the yes vote scal condition.

Over last year was 5, the gain in the no of the staff of the net gain for no license 65, the of the Massachusetts General hospital. majority for medicense this year who performed an amapay on the body seing 95. In considering the gain in the or Baker on October 12 two days follow-no vote. however, Rockingham's not ing the death, testified that he was not ing the death, testiled that he was not Donn's Regulers cure constitution to consideration. Without this radical was no indication be said, of a fatal for them. 25 cents per box.

opposited so encouraging. The outcome of the Rockingham iiense fight was the feature of the vote this county. From a ves-majority of in the death of James G. Warnick, the last year the town switched over to horseman, whose will be being disputed frouth by 200 votes as stated above. This by two wamen claiming to be wives hange in sentiment should certainly the deceased; was concluded to-night prove a halm to the believers in profil- and the Jury returned a verdict of death ation although the oldtment contains from Calural causes. A report from the proverbial fly in the form of a provincial analysis to whom the organs statement that the change was due in and stomach were submitted was read arge measure to the activity of North He stated that he had found no trace Walpole figuor interests, Guilford found of posent. in-license to its liking fast year and gain voted no ox did also Patney, in Bratilebero the majority for re-Receive was reduced from 263 to 178 but this reduction means simply that a biof quiet work was done by a few yes advocates while the no element was asleep at the switch, it may be that this outcome proves conclusively that no still hunt can effect a change from the pre-

The State vote shows a slight decrease in the number of towns voting for license and ought to dispel any doubt as to the folly of returning to State prohibition. With the exception of Burvote last year, every large town in the State which went against license a year age continued that policy Tuesday, while Barre and St. Albans were new eccuits to the ranks of dry cities. The best feature of this condition every town or city has decided the quesion for itself and the law is therefore backed by that most powerful enforce ment lever, public sentiment. This eleof strength was lacking in the days of State prohibition

AMERICAN SHIPS NOT RIGHT Commander Key Produces Evidence

That They Are Overdraft. Washington, March IL-Commander A L. Key, former naval aide to the President testifying before the Senate nave affairs committee to-day produced dia grams tending to show that American vessels are overdraft to a greater degre

n negard to the draft of vessels wer agreed with his consuments as he did that the decision of the Walker board of disagree with the electors of Bristol, May 18, 1896, that "a battleship's normal the maximum draft with full stores of had been disregarded by the naval constructors. Commander Key said that the Amer

Household Kanges THE SERVANT PROBLEM isn't altogether a question of wages, afternoons out and callers in the kitchen. There's the range to be considered .- No good cook will be contented to work with a range whose uncertainties spoil half of her preparations. Install a "Built to Bake" HOUSEHOLD RANGE. and there'll be harmony in the kitchen.

Your old range taken as first payment, balance \$1.00 per week,
